AmeriCare Home Health Awarded “Deficiency- Free” Survey

AmeriCare Home Health Services was awarded a “deficiency-free” survey by the Ohio Department of Health’s recertification program.

AmeriCare offers a complete range of home health in 15 counties of Northwest Ohio. Services include skilled nursing, physical therapy, occupational therapy, speech language pathology, home health aide services and medical social work. It has offices located in Defiance, Bryan, Toledo, Findlay and Fremont.

About Us

AmeriCare Home Health Services was established in 2002 and is an affiliate company belonging to the SAI Group. The Group owns and operates seven home health offices serving 21 counties in Ohio, a 31-unit assisted living facility in Toledo, and several commercial and residential real estate properties in and out of Ohio.
